Washington, DC - Congressman Bruce Braley (D-Iowa) announced two grants today totaling more than \$160,000 for the cities of Clinton and Davenport. The grants are awarded through the U.S. Department of Housing and Urban Development's (HUD) Capital Fund Program.

"This money is a crucial investment in local economies and housing markets in Clinton and Davenport," Braley said. "As we continue to rebuild our economy, it's critical Iowa's communities have the tools they need to promote economic development and help working families."

HUD awarded the city of Clinton \$69,390 and Davenport \$92,128. The money funds Public Housing Agencies for capital and management activities, including modernization and development of public housing.
